- Healthcare
- Information technologies and communication
- Humanities
- Life Sciences
- Technology
- Human medicine
- Veterinary medicine
- Others

- I hereby consent to the processing by the Vienna Tourist Board of my personal data as required for the funding application, and for processing and checking my application (in accordance with Article 6 GDPR). I also consent to the processing of these data by other bodies named in the Funding Guidelines for the purposes of reviewing the application for and granting funding (section 12.1 Funding Guidelines), as stipulated by the funding contract.
- I hereby acknowledge and expressly accept the funding guidelines relating to the VIENNA LOYALTY FUND (decision by the expert committee of the Vienna Tourist Board, December 7, 2022).
- With this application, I acknowledge that participant statistics must be provided after the event for the purposes of calculating the final amount of financial support.
